

What is PEARL Certification?

PEARL is a national firm that provide **third party certification** on the energy saving features of your home. PEARL was created to provide every homeowner with the tools to make their home more **comfortable, healthy and energy efficient.**

Why Pearl Certification?

PEARL certification gives you peace of mind that the Solar PV systems we install are certified by an independent third party. Thus, you know exactly what was installed and can **recapture the value of your investment** when you sell or are appraised for refinance. **PEARL Certified homes can sell for 5% or more when marketed properly.**

Simple & easy steps to obtain your Pearl certification -

Step 1: Choose GreenBrilliance, an elite group of home service professionals, vetted and verified by PEARL.

Step 2: Work with us to make improvement of your interest and budget.

Step 3: Capture the value of your investment by having us certify the improvements.

Step 4: PEARL will send you a PEARL Certification Report and Special Appraisal Addendum.

Your PEARL Certification report includes -

- ❖ Signed certification with **unique certification number**
- ❖ Certification report
- ❖ Appraisal institute's Green and Energy Efficient **Appraisal Addendum**
- ❖ Letters to your agent and appraiser, explaining how to leverage PEARL

Why GreenBrilliance?

GreenBrilliance is a part of the elite network of contactors (top 2-5%) who can certify your work through PEARL. Our quality work reflects in our excellent reviews, professional reputation and satisfaction to customers.
