

## Executive Summary

GreenBrilliance is a vertically integrated, end-to-end solar energy services provider. Headquartered in the DC metro area, we deliver turnkey solar EPC solutions to homes, businesses, and large-scale utility projects across tri-state (DMV) Washington DC, Maryland, and Virginia, at competitive prices.

## Vertical Integrator and Turnkey Services Provider

As a top-quality EPC provider, we have in-house engineering and design teams. Our vertical integration across the value chain enables us to achieve operational efficiencies. This helps us pass on the cost and time savings to our customers and deliver superior products at an unmatched value.

At GreenBrilliance, we realize and appreciate the significance of our role in educating and delivering PV systems to our customers. With the firm belief that an educated customer is the best customer, we deliver excellent customer service, both pre- and post-installation. We are a leading provider of turnkey EPC solutions for residential, commercial, and utility-scale (MW) power plants worldwide. We also offer **Neurobotz, our fully automated AI-based power optimizer.**

The production of all systems installed and delivered by GreenBrilliance are on par with or above estimated output. The estimated energy output is calculated by our engineering team. It is customized for each site, taking into account specific variables, such as the solar azimuth, shade analysis, and tilt of the roof, which are then factored in with other efficiency factors of solar modules and chosen inverters. **GreenBrilliance was recently ranked 33<sup>rd</sup> in the top hundred installers in the world, by renowned Solar World Online magazine, with our fantastic portfolio that includes Ronald Reagan International Airport in Washington DC.**

### Flagship Projects

Residential

Utility scale

### Partnerships and Alliances

- ❖ Seia, mdv – seia
- ❖ SWaM - minority business
- ❖ MDOT
- ❖ NABCEP certification
- ❖ Sol systems, Sretrade
- ❖ Pearl certification
- ❖ Better Business Bureau (BBB)
- ❖ Sunlight, Sunnova, Loanpal
- ❖ LG Chem battery storage
- ❖ Generac
- ❖ Tesla
- ❖ Purotics

### Together, We Are Powering A Solar Future

## Core Capabilities and Services:

- ✓ Solar consultation
- ✓ Feasibility studies
- ✓ PV design and engineering
- ✓ Program and project management
- ✓ Permits and utility interconnection
- ✓ Installation/integration (EPC) service
- ✓ Loan financing/PPAs
- ✓ Operations and Maintenance
- ✓ GreenBrilliance Academy

## Our Expertise

- ✓ Design and engineering
- ✓ Grid-tied distributed solar systems
- ✓ Off-grid/micro-grid systems
- ✓ Commercial/utility-scale systems
- ✓ Solar storage systems
- ✓ Energy efficiency
- ✓ Training and workforce development

**Year of Establishment:** 2007, US Corporation

**Federal ID #:** 20-8516137

**D & B #:** 79-682-5771

**CAGE Code:** 6LKV2

## Awards and Certifications:

- ✓ SWaM Virginia certified minority
- ✓ MDOT MBE Maryland
- ✓ NABCEP certified installer

## NAICS Codes

221114, 221118, 221121, 221122, 237130, 238210

## Office Locations

Sterling, Virginia
